

Dear fellow ECRUSYers,

I hope you are all having a great start to this amazing year! Now try your luck at these questions:

- Have you ever looked at someone leading services or reading torah/haftorah and thought to yourself “I wish I could do that”?
- Have you ever just wanted to learn how to lead a service or read torah/haftorah?
- Have you wanted to learn more about Judaism?
- Do you have a burning question or questions about Judaism that you want answered?
- Do you want to write or give a D’var torah but just don’t know how?
- Do you need to plan a Rel/Ed program?

If you answered yes to any of the above...have no fear, the answer is here! This year I want to try to have everybody who has wanted to learn how to read/lead, get the chance. I want to give those with questions or interest in Judaism a chance to learn more. So, check out these incredible sites and get on the way with your learning:

As well, I would like to set up SWAB (study with a buddy). **SWAB** is a program where I will buddy up USYers who know certain services / haftorah / torah / etc. as teachers to USYers who want to learn those services / haftorah / torah / etc. This way you can learn from a fellow USYer and make a new friend. If you are interested let me know and I will get you on the road to learning.

If you ever need help with anything that falls under the Rel/Ed category don't be afraid to send me an e-mail or give me a call.
