

## So, what's this Kadima thing, anyway?

Kadima is a great place for preteens in Grades 6-8 to meet and make friends with people from their synagogue, participate in social action programs, religious education, cultural and Zionist education, and of course amazing social activities.

This year, we'll be having *Shabbatonim* (weekend conventions) in Montreal for grades 6/7 and grade 8 with the Tzafon (upstate New York) region preteens. Also, grade 5-7 will be invited to USY's Spring Regional Convention in May.

## What's there to do in Kadima?

- ★ Make new friends from your city and all over Ontario and Quebec!
- ★ Come to crazy, fun conventions!
- ★ Enjoy cool social programs and trips!
- ★ Read *Kol Kadima* magazine!
- ★ Hang out in a chill environment with preteens like you!
