Eastern Canadian Region United Synagogue Youth 2017-2018 Regional Calendar

United Synagogue Youth (USY) is the North American teen engagement program of the United Synagogue of Conservative Judaism. USY offers year-round social, community service and Israel engagement programming for teens, as well as summer travel experiences. USY teens benefit from meaningful and immersive Jewish experiences that help them integrate Jewish values and rituals into their lives.

ECRUSY - the Eastern Canada Region of USY - offers programming through chapters at USCJ synagogues in Greater Toronto, Ottawa, Montreal, Hamilton, and London as well as at regional and international programs. Within ECRUSY, Kadima (Grades 6-8) has its own programs focused on environmentalism, social action and tzedakah, while USY programs (Grades 9-12) emphasize leadership development, social action and relationship building.

Chapter Events

For even more fun between regional events, ECRUSY chapters have programs once a month. All of these events are teen planned and led with advisor supervision. With chapters throughout the region, there is sure to be one near you!

Check out www.ecrusy.org to find your closest chapter.

Summer Programs

USY Summer Programs are exciting, fun-filled journeys that take Jewish teens across North America, Israel, Europe and beyond! Participants discover new cultures, form life long friendships, give back to the world through social action, and return home transformed, with greater confidence and a deeper sense of their unique place in the world. Contact the Regional Office for more information.
